Sonrise Prophecies

Prophecy has elements to it that are past, have present applications, and future fulfillments to come. So we have seen fulfillment of portions of some of these words. We are seeing in the present, God doing what has been spoken. And there are aspects of these words that have greater and more complete fulfillment in the future.

Some of these words were spoken over this church, others over Pastor Dan. As the leader of this church, we can receive words spoken over him as having application in our lives as we are under his leadership.

Cindy Jacobs, 1993

Barbara Wentroble, 1999

- Increase is coming to this house. You will look back on this season and though it looked like it was a time of increase, it will look as if it was just a small beginning.
- Forerunner, breakthrough anointing
- God is going to allow this house to penetrate the powers of darkness in this area, and to cause it to roll back so God's anointing and His glory can be released in this area.
- Begin to release ministries in this house....There are those who have been faithful in the last season and God's going to pull them forth in this new season. There are Elijahs who have sort of been hidden away and not recognized, but they have been faithful in the small things and God is calling them out of the place of hiding and will put them in charge of much.
- I called you as an apostle.

- I am releasing an anointing that will spread across this nation and into the nations of the world...
- I shall release it into other areas and other territories so that the principles that I taught you simply by being led by My Spirit will ignite revival fires in other areas. (forerunner – Five Fold)
- Despise not the day of small beginnings. I have seeds of greatness I have put within you and I have seed of greatness I have put within this ministry...you have watered them in prayer and intercession and by faithfulness...Now they shall spring forth for a mighty harvest to the glory of the Lord.

(1996 – 1st Prophetic Conference: "My hand is at the ready...ready to push back, as it were, like a curtain, the powers of darkness that have held sway over this area. *But **this is that** which was spoken by the prophet Joel*

You are now experiencing what the prophet spoke.

What I want to say to us as a body regarding all the words of the prophets over Sunrise...

THIS IS THAT!

We are living in the time of the fulfillment of these promises, these words from the Lord.

We have been prepared, we have been made ready!

For each of us personally, and for us corporately...The wait is over! Now is the time!

We are letting go of the past – with its woundedness, insecurities, and hindrances and stepping into who God says we are in this hour...So that we can move forward into the fullness of time.

EMBRACE IT, BELIEVE IT, AND ACT ON IT! FOR YOURSELF, AND FOR SONRISE

IT'S TIME TO LENGTHEN OUR CORDS, STRENGTHEN OUR STAKES,
FOR IT'S TIME TO ENLARGE THE PLACE OF OUR TENT...
TO EXPAND TO THE RIGHT AND TO THE LEFT,
AND TO DECLARE THAT OUR DESCENDANTS ARE INHERITING THE NATIONS.
